## *New Year's Resolutions*

I, \_\_\_\_\_, make the following resolutions for 201\_\_:

I want to be healthy, so I will change my lifestyle.

For breakfast every day I will eat two bowls of cereal and I will drink two cups of orange juice.

At dinner I plan to avoid fatty foods as much as possible.

I am also going to exercise more. I will jog every afternoon after school, and every weekend I am going exercise at a gym with my friend.

I plan to be a better student this year, so I will go to the library with my friend to study math every Tuesday afternoon.

I will do homework for 60 minutes every night, and listen to English programs on the radio.

Another thing I want to do is save a lot of money, so I will get a part-time job cooking hamburgers at Mosburger.

I want to be a kinder person this year, so I will tell my friend that she is a good role-model.

I want to be more fashionable, so I will go shopping for some cool clothes and only wear designer shirts on weekends.

Finally, I want to thank my teacher for his help in class, so I will send him a thank-you e-mail.

**I am going to try hard to do all of these things in 201\_\_, and I will be very happy!**
